ELEGANT

# Sunscreen fabric

A terrace awning is not only functional, it also offers the possibility to enhance the style of your terrace and garden. With the right type of fabric you can create an atmosphere to match your home, garden and interior. Do you prefer rustic or modern, plain or striped, bright or soft colours? Thanks to the large choice in fabrics, you can have the Oliva completely match your wishes.

For every meter of Tibelly fabric sold, we donate to the KWF cancer foundation. For more information about the fabric, visit [tibelly.nl](https://www.tibelly.nl).

# The specifications

The Oliva is made of high-quality aluminium. When closed, the cassette offers optimal protection to the fabric and adds an elegant look to your facade.

The construction is light, yet robust, making the terrace awning resistant to various weather influences. Available with dimmable LED lighting in the cassette (optional), so you can extend your outdoor evenings and enjoy your patio and garden. The awning is available in various colours (powder coated).
